

Have / Has / Haven't / Hasn't

Personal Pronouns + have to + verb + Extra Information

Remember that when you use have in sentence is important to remember that the third person (**he, she, it**) uses has *for example:*

Veruca has to have a golden ticket
Augustus has eaten a lot of chocolate

The other pronouns use have for example:

They have to open a lot of bars to find the ticket
We have to find a ticket for Veruca
