

Lesson plan

Target: Be Going to

Objectives:

1. Learn how to use be going to.
2. Learn how to express intentions and plans.
3. Learn specific vocabulary.

Vocabulary: stuck, complain, deal, light, conscience, feeling, touch.

Before watching

Warm up: Active prior knowledge

- ☐ Divide the group in teams.
- ☐ Tell students they have a minute to write places where to go on vacation.
- ☐ Write their answers on the board and focus on the answers related to the sea.

Click on the opening question and read it out loud: What can you find in the sea?

- ☐ Have students share their answer.
- ☐ Write some answers on the board.

Before watching

- ☐ Read the vocabulary and ask them to repeat the words. Then give the definition of each of them. Give examples.
- ☐ Ask them to complete the exercise related to the vocabulary.
- ☐ Tell them they will watch a video from the Finding Nemo movie.
- ☐ Ask more or less 3 of the students their opinions about the movie.

While you watch:

- ☐ Have students pay attention to the personality of each character.
- ☐ Pause the video as necessary.
- ☐ Have students describe some scenes of the video or to describe some characters that appeared on the video.

After watching:

- ☐ Ask students about the video, for example if they thought it was interesting, if they think music is helpful, etc.
- ☐ Tell the students about the matching activity. Play the video again and pause it if necessary.

Present

- ☐ Direct the students to the grammar icon and explain them what be going to is used for in this context. Try to be very clear when you explain the grammar structure.
- ☐ Give extra examples and ask them to write sentences using be going to.

Practice

- ☐ Make students complete the activity to practice can.
- ☐ Ask them to check the answers with a partner.
- ☐ Give them some minutes to order the sentences and compare their answers.

Extend

- ☐ Have students form small groups; tell them to ask each other the discussion cards; when finished ask them to share their answers.
- ☐ You can assign a project telling students they will create a presentation about sea animals or activities to do in the sea, etc.
